MEMORANDUM FOR: Colonel White

SUBJECT : Opinions and Rulings of the
Office of the General Counsel

1. Attached is a memorandum reflecting legal research by one member of the Office of the General Counsel. It is a perfect example of a memorandum which if not properly disseminated and acted upon by responsible officials will lead to unnecessary future audit exceptions; inadequate briefings; and the depriving of employees of a privilege that they might otherwise enjoy.

2. In your discussions with the General Counsel you might want to use this for illustrative purposes.
